Terms and conditions

1. Proposal Conditions

By submitting a proposal, potential suppliers are bound by these terms and conditions. Potential suppliers must submit offers with all details provided in English and with prices quoted in a single currency.

2. Proposal Lodgement

The Company may grant extensions to the Closing Time at its discretion. The Company will not consider any quotes received after the Closing Time specified in the RFP unless the Company determines to do so otherwise at its sole discretion.

3. Evaluation

The Company may review all proposal to confirm compliance with this RFP and to determine the best proposal in the circumstances.

4. Alterations

The Company may decline to consider a proposal in which there are alterations, erasures, illegibility, ambiguity or incomplete details.

5. The Company's Rights

The Company may, at its discretion, discontinue the RFP; decline to accept any proposal; terminate, extend or vary its selection process; decline to issue any contract; seek information or negotiate with any potential supplier that has not been invited to submit a proposal; satisfy its requirement separately from the RFP process; terminate negotiations at any time and commence negotiations with any other potential supplier; evaluate proposals as the Company sees appropriate (including with reference to information provided by the prospective supplier or from a third party); and negotiate with any one or more potential suppliers.

6. Amendments and Queries

The Company may amend, or clarify any aspect of the RFP prior to the RFP Closing Time by issuing an amendment to the RFP in the same manner as the original RFP was distributed. Such amendments or clarifications will, as far as is practicable be issued simultaneously to all parties.

Any queries regarding this RFP should be directed to the Contact Person identified on the cover page of this RFP.

7. Clarification

The Company may, at any time prior to execution of a contract, seek clarification or additional information from, and enter into discussions and negotiations with, any or all potential suppliers in relation to their proposals. In doing so, the Company will not allow any potential supplier to substantially tailor or amend their proposal.

8. Confidentiality

In their proposal, potential suppliers must identify any aspects of their proposal that they consider should be kept confidential, with reasons. Potential suppliers should note that the Company will only agree to treat information as confidential in cases that it considers appropriate. In the absence of such an agreement, potential suppliers acknowledge that the Company has the right to disclose the information contained in their proposal.

The potential supplier acknowledges that in the course of this RFP, it may become acquainted with or have access to the Company's Confidential Information (including the existence and terms of this RFP and the TOR). It agrees to maintain the confidence of the Confidential Information and to prevent its unauthorised disclosure to any other person. If the potential supplier is required to disclose Confidential Information due to a relevant law or legal proceedings, it will provide reasonable notice of such disclosure to the Company. The parties agree that this obligation applies during the RFP and after the completion of the process.

9. Alternatives

Potential suppliers may submit proposals for alternative methods of addressing the Company's requirement described in the RFP where the option to do so was stated in the RFP or agreed in writing with the Company prior to the RFP Closing Time. Potential suppliers are responsible for providing a sufficient level of detail about the alternative solution to enable its evaluation.

10. Reference Material

If the RFP references any other materials including, but not limited to, reports, plans, drawings, samples or other reference material, the potential supplier is responsible for obtaining the referenced material and considering it in framing their proposal. And provide it to the Company upon request.

11. Price/Cost Basis

Prices or costs quoted must show the tax exclusive price, the tax component and the tax inclusive price.

The contract price, which must include any and all taxes, supplier charges and costs, will be the maximum price payable by the Company for the Goods and/or Services.

12. Financial information

If requested by the Company, potential suppliers must be able to demonstrate their financial stability and ability to remain viable as a provider of the Goods and/or Services over the term of any agreement.

If requested by the Company, the potential supplier must promptly provide the Company with such information or documentation as the Company reasonably requires in order to evaluate the potential supplier's financial stability.

13. Referees

The Company reserves the right to contact the potential supplier's referees, or any other person, directly and without notifying the potential supplier.

14. Conflict of interest

Potential suppliers must notify the Company immediately if any actual, potential or perceived conflict of interest arises (a perceived conflict of interest is one in which a reasonable person would think that the person's judgement and/or actions are likely to be compromised, whether due to a financial or personal interest (including those of family members) in the procurement or the Company).

15. Inconsistencies

If there is inconsistency between any of the parts of the RFP the following order of precedence shall apply:

- (a) these Terms and Conditions;
- (b) the first page of this RFP; and
- (c) the Schedule

so that the provision in the higher ranked document will prevail to the extent of the inconsistency.

16. Collusion and Unlawful Inducements

Potential suppliers and their officers, employees, agents and advisors must not engage in any collusive, anti-competitive conduct or any other similar conduct with any other potential supplier or person or quote any unlawful inducements in relation to their proposal or the RFP process.

Potential suppliers must disclose where proposals have been compiled with the assistance of current or former the Company employees (within the previous 9 months and who was substantially involved in the design, preparation, appraisal, review, and or daily management of this activity) and should note that this may exclude their proposal from consideration.

Potential suppliers warrant that they have not provided or offered any payment, gift, item, hospitality or any other benefit to the Company, its employees, consultants, agents, subcontractors (or any other person involved in the decision-making process relating to this RFP) which could give rise to a perception of bribery or corruption in relation to the RFP or any other dealings between the parties.

17. Jurisdiction

This RFP shall be subject to the laws of the District of Columbia, United States of America. The language of the arbitration will be English.

The Potential Supplier and the Company will use their best efforts to settle amicably any dispute, controversy, or claim arising out of, or relating to this RFP or the breach, termination, or invalidity thereof. If no agreeable settlement can be found, any dispute, controversy, or claim arising out of or relating to this RFP or the breach, termination, or invalidity thereof, shall be settled by mediation through the American Arbitration Association by filing a request for mediation with the AAA and the other party. The Parties will be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute.

Company Information

Palladium is a global leader in the design, development, and delivery of Positive Impact — the intentional creation of enduring social and economic value. We work with corporations, governments, foundations, investors, communities, and civil society to formulate strategies and implement solutions that generate lasting social, environmental and financial benefits.

Project Background

The CATALYZE Blended Finance Mechanism is a \$250 Million, 8-year contract (5-year base period, with a single 3 year option period) which uses a facilitated partnership model to craft solutions to crowd in \$2 Billion in blended finance (i.e. blended concessional and commercial finance) to USAID partner countries and initiatives. CATALYZE allows USAID Bureaus and Missions to efficiently deploy investment facilitation solutions that respond to the needs of specific sectors, issues, and geographies. Initial programs focus on education finance to implement sustainable education business models serving low-income communities, and achievement of the W-GDP objectives, but the mechanism can be applied to any development challenge or region.

USAID CATALYZE Ethiopia:MS4G is a four-year buy-in to benefit the Ethiopian population, build community resilience, and strengthen rural-urban linkages in the areas of food security, WASH, and COVID-19 economic recovery. MS4G focuses on facilitating access to jobs and sustainable opportunities for women and youth and enterprise resiliency, leading to better employment and food security for individuals and communities. MS4G is designed to provide support to agriculture and WASH enterprises by strengthening the enterprises' support ecosystem not just in Addis Ababa but also in select secondary cities. MS4G invests in developing relationships with private sector players, co-investing in inclusive business models, advisory services, digital solutions, and market-based initiatives that increase the resilience and sustainability of Ethiopian enterprises and employment for women and youth.

Purpose

The purpose of the RFP is to select multiple business advisory service providers (BASPs) to each support 5 - 25 SMEs (minimum 5 and maximum 25 SMEs) for 75 SMEs in food security and 25 SMEs in WASH in Ethiopia to create a vibrant network of BASPs to support the growth of enterprises.

Bidders are advised to be aware of definition of Food Security and WASH as listed below.

- **Food Security** – TASP's may provide investment and credit facilitation services for success fee commission for transactions that support USAID's Feed the Future initiatives in Ethiopia. At least 50% of the approved enterprises must be active in secondary cities across Ethiopia^[1]. Enterprises supported by TASP's to access finance and investment under this category must be conducting business in the food security value chains (VCs). A VC is the process or activities by which a company adds value to an article, including production, marketing, and distribution. Examples of value chain actors eligible for support include but are not limited to input dealers, farmers/producers, processors, aggregators, storage service providers, traders, retailers, exporters, agriculture logistics firms, and agriculture technology providers.
- **Water, Sanitation, and Hygiene (WASH)** - TASP's may provide transaction support for success fee commissions to mobilize capital for the Water, Sanitation, and Hygiene sector to improve services, innovations, and/or access to safe drinking water, sanitation solutions, and hygiene in Ethiopia.

[1] Secondary cities mean *cities with a population of 300,000 or more.*

A complete scope of work is attached as Annex A.

PROCUREMENT INTEGRITY AND ETHICS

It is Palladium's Policy that no gifts of any kind and of any value be exchanged between vendors/contractors and Palladium personnel. Discovery of the same will be grounds for disqualification of the vendor/contractor from participation in any Palladium's procurements and may result in disciplinary actions against Palladium personnel involved in such discovered transactions.

Resulting Award

This RFP in no way obligates Palladium to award a contract. Palladium may opt to select multiple offers in response to this RFP.

Any contract/purchase order resulting from this solicitation must be signed by both parties in order to be considered valid and in force. All costs associated with, but not limited to, production, preparation and/or delivery of goods or services, including deliveries, accepted by Palladium staff, without a fully executed (signed by both

parties) contract/purchase order, are at the vendor's risk only. Palladium shall not pay for any costs, without limitation, associated with production, preparation or delivery of goods and/or services under this or any other contract/purchase order, which has not been signed by both parties.

If your proposal is successful, you will be required to enter into the Company's standard contract for the types of goods or services being provided. In the provision of the Goods and Services, you will be required to comply with the Company's policies, including (without limitation) its Business Partner Code of Conduct and any relevant client terms and conditions. Potential suppliers must also comply with the Company's Business Partner Code of Conduct in the submission of any proposals pursuant to this RFP.

If you are bidding as part of a joint venture, partnership or similar, please make this clear in your submission. Likewise, if you propose to subcontract any part of the goods or services provision, then disclose this fact within your submission. The Company may require additional information from you and approval for subcontracting will not be automatic as subcontractors will be subject to Palladium's Due Diligence process.

Attachments

Please review the additional documentation and proposed contracts terms and conditions which should be given consideration when preparing your proposal. By submitting your bid you will certify that that you are in agreement with the contract terms and conditions as included in this solicitation and that all prices include all aspects of the required compliance with the terms and conditions of the proposed contract.
