Dear Offerors,

Please see below answers to the questions submitted catalyze.procurements@thepalladiumgroup.com.

No	Question	Answer
1	We note that the TOR specifies the Individual Consultant Agreement (ICA) as the contractual arrangement for this assignment. Can you please clarify if firms are able to apply (there is a reference to firms' relevant experience under 'Instructions to offerors')?	Palladium is looking for an individual not a firm.
2	If firms are unable to apply, can you clarify how indirect costs will be reimbursed based on ICA?	There is no indirect cost under an ICA because we only pay for the level of effort of the individual providing the services.
3	Can you clarify if a firm/individual needs to be based/incorporated in the US?	No, the individual does not need to be based or incorporated in the US.
